

KARC-BMRC WEEKLY NET SCRIPT

(At 2025 hrs, state that the KARC-BMRC net will start in 5 minutes.)

Is the frequency in use?

Calling the Kingsport Amateur Radio Club/Bay's Mountain Radio Club Sunday evening 2 meter net. This is <your call>; my name is <your name> and I'll be your net control station this evening. This net is held every Sunday evening at 2030 local time on the W4TRC repeater 146.970 down 600 with a tone of 123.0 to handle formal or informal traffic and to exchange information and ideas.

The regular meeting night for the club is the second Thursday of each month at 1900 hrs. The normal meeting location is the Eastman Toy F. Reid Recreation Center located at 400 S. Wilcox Dr., Kingsport, TN.

This is a directed net. This net will be conducted in analog mode on the Fusion repeater.

Any and all licensed amateurs are welcome to participate.

Is there a station on frequency that can act as an Alternate Net Control Station?
(Respond as necessary)

At this time is there any emergency or priority traffic to come before the net? (Pause)
Stations with Emergency traffic, please break in at any time.

All stations checking in will need to give your call sign using the International Phonetic Alphabet followed by your name and indicate whether or not you are an ARES member. If you are an ARES member, indicate whether you are on commercial or battery power.

Net control will now take Check-ins from any stations needing to check in and out of the net. Please call Net Control now.

(acknowledge short time stations.)

I'll first ask for check-ins from those who have announcements or traffic.
Stations with messages or announcements please call net control now.

(Take check-ins from those with announcements.)

We'll come back for announcements after we log some regular check-ins.
Stations checking in will be given an opportunity to make comments to the net. If you don't wish to make a comment please indicate so when you check in by saying "no comment" or "no traffic". This is <your call> net control now taking regular check-ins from any station. Remember to give call phonetically and ARES information please.
(Acknowledge check-ins.)

(Have stations w/ announcements proceed.)

We'll now run thru the list of check-ins for any corrections. This is *<call sign>*. (Go thru list of stations.)

Are there any late check-ins for the net?
(Respond as necessary)

We've now come to the swap shop portion of the net. If you have any amateur-related items you'd like to sell or trade, or if you're looking for an item, let us know. Any station with items for our swap shop segment, please call now.
(Take any listings now & allow time for replies)

This is *<call sign>* calling the KARC/BMRC Net. Are there any additional check-ins for the net?

It's time now for the Hams Helping Hams portion of the net; maybe you have an antenna project planned and need help or you have a radio-related problem you can't seem to solve. Whatever it is, here's where you can ask for help. Does anyone have anything they'd like to put before Hams Helping Hams? Please call now.
(Take any listings now & allow time for replies. Once contact is made, have them move off-net or wait till the end of the net to discuss their issue.)

Are there any other announcements or comments for the net or is there any further business to come before the net? This is *<your call>*.
(Respond as necessary)

I'll take one last call for check-ins.
(Respond as necessary)

With no further business to come before the net, I'd like to thank all those who participated as well as those who stood by while the net was in session. This is *<call sign>*. Now returning the W4TRC Repeater back to normal amateur use.
The net is closed. Have a good evening.
